Sarah,

Are you aware of this meeting? Also, I'm trying to find a way to call in, but I haven't been able to track down a number. I have Casey Kay enroute from Grand Junction, but I'm not sure he'll be able to make it on time. If you all know of a way to patch me into that meeting that would be great. I think Mike King at DNR and the Governor's office would also like to participate if possible. Thanks!

Pat

Fyi from Greg Brand at SJBHD (see attachment - excerpt below):

Public Meeting Hosted by the Environmental Protection Agency on the Mine Waste Water Released into the Animas River

Durango, CO – On Friday, August 7, 2015 at 1:30 p.m., the Environmental Protection Agency (EPA) will hold a public meeting to share information and answer questions about the contamination of the Animas River by the Gold King Mine in San Juan County, Colorado. This meeting will be held in the Board Room of the County Administration Building at 1101 E 2nd Avenue, Durango. Shaun McGrath, the Regional Administrator for the EPA Region 8 from Denver will be hosting this meeting.

A Call Center has been set up for the public at [970-385-8700](tel:970-385-8700). As additional information is received, it will be posted to the La Plata County website at <http://www.co.laplata.co.us/emergency>, San Juan Basin Health Department's Website at www.sjbhd.org, La Plata County Government Facebook and San Juan Basin Health Department Facebook.
